

Palatine Concert Band

The Concert

The Palatine Concert Band has its roots dating back to the 1870's and after being inactive during the depression years and WWII, the band was reorganized in 1955 with 18 members. Today, the Palatine Concert Band is a vibrant ensemble of approximately 80 musicians. It has been performing on the 4th in Evanston for 30 years. We welcome them back to Evanston for another great year.
