STEP 6

Post Your Planter

- ▶ Your Sponsorship Fee of \$500 per planter helps us reach the \$100,000 we need to raise privately to put on this year's fireworks, parade, and family friendly activities around town – not including the City of Evanston's investment in staff time.
- ▶ Planters are knee-high and will be delivered to the sponsor.
- ▶ The artist will paint the 4th of July themed planter in consultation with the purchaser.
- ▶ The planter will be in front of your business or home from June 15 with signage showing your support of the Evanston 4th of July, an event that continues to unite our community going on a second century.
